

The power of presence

Securitas has a leading global and local market presence with operations in 56 countries.

Our operations are organized in three business segments: Security Services North America, Security Services Europe and Security Services Ibero-America. We also have operations in Africa, the Middle East and Asia, which form the AMEA division. This division is reported as "Other" in our segment reporting.

We believe that we add value to our clients by combining our global presence with local expertise in close to 1 450 branch offices. Securitas has a leading protective services offering including on-site, mobile and remote guarding, electronic security, fire and safety services and corporate risk management. Our security services are managed and coordinated through 44 Securitas Operation Centers (SOC), where operators can quickly address our clients' security issues. The information gathered by our SOCs provides our clients with high-quality security around the clock, along with analytics, analysis and client reports.

SECURITY SERVICES NORTH AMERICA

Security Services North America provides protective services in the US, Canada and Mexico. The operations in the US are organized in four specialized units - Guarding, Electronic Security, Pinkerton Corporate Risk Management and Critical Infrastructure Services. Guarding includes on-site, mobile and remote guarding and the unit for global and national accounts, as well as Canada and Mexico. There are also specialized client segment units, such as aviation, healthcare, manufacturing and oil and gas.

SECURITY SERVICES EUROPE

Security Services Europe provides protective services across Europe with operations in 27 countries, whereof 15 countries provide airport security. The full range of protective services includes on-site, mobile and remote guarding, electronic security, fire and safety services and corporate risk management. In addition there is a specialized unit for global client contracts.

SECURITY SERVICES IBERO-AMERICA

Security Services Ibero-America provides protective services in nine Latin American countries as well as in Portugal and Spain in Europe. Airport security is offered in seven countries. The offered services include on-site, mobile and remote guarding, electronic security, fire and safety services and corporate risk management.
